

Lock boxes and padlock centres

Brady offers a range of group lock boxes which are ideal when multiple authorised employees are involved with the equipment servicing. There are also several solutions available for efficient padlock storage.

- 42 SAFETY REDBOX™ group lockout box
- 42 Group lock box
- 43 Combined lock storage/group lockout box
- 43 Portable group lockout box
- 43 Ultra compact lock box
- 44 Wall-mounted metal group lockout box
- 44 Portable/wall group lockout box
- 45 SlimView group lock box
- 45 26 Group Lock Box
- 46 Enclosed padlock storage modules
- 46 Padlock control centre
- 46 Combined lockout & lock box station
- 47 Padlock stations
- 48 Permit Control Stations

SAFETY REDBOX™ group lockout box

Wall-mountable group lock box with quick-release system for great portability.

- Comes complete with convenient wall mounting bracket:
 - For storage, display and lockout event readiness
 - Quick release feature lets you carry SAFETY REDBOX™ to the point of need
 - SAFETY REDBOX™ can also be locked in place during lockout events
 - Cover is hinged lengthwise on the box for convenient opening and access even when wall-mounted
- Devices needed for specific equipment lockout needs can be stored directly in the box
- Convenient push button latching mechanism to keep the cover shut
- Internal slide button to secure the SAFETY REDBOX to the wall bracket
- Accepts up to 12 workers safety padlocks. Stays locked until all are removed
- Can hold up to 40 padlocks if not attached to the wall
- Made of heavy duty steel, powder-coated for extra rust resistance
- Designed to withstand a wide range of environmental conditions

Group lock box

For group lockout situations involving a large number of workers and equipment.

- After machine or process is locked out, the key or keys of the machine are placed in a lock box. Each authorised work team member places a personal lock or tagout device in the group lock box.
- Ensures that no single employee has access to the box unless ALL employees have removed their locks or tags
